POLIG 2026 CONFERENCE

Invitation

The Polish Fire Suppression Systems Foundation, together with the European Fire Sprinkler Network and the Scientific and Research Center for Fire Protection - National Research Institute (CNBOP-PIB), warmly invite you to the POLIG 26 technical conference dedicated to fire loss prevention and fire suppression systems. The conference will be held on March 11-12, 2026, at the Arche Hotel Krakowska, located at Aleja Krakowska 237 in Warsaw.

Purpose and Target Audience of the Conference

The goal of the POLIG conference is to advance knowledge on fire loss prevention and mitigation, with a particular focus on fire suppression systems. A key part of the event is showcasing the latest technologies and solutions in this field, as well as fostering the exchange of information and ideas among industry professionals. The conference mainly targets fire sprinkler designers, engineers, fire safety specialists, licensed fire experts, and those aspiring to become one, along with representatives from the State Fire Service, insurers, brokers, building owners and managers, and anyone else interested in the topics being discussed.

Media Patronage

We are pleased to announce that the media patronage of POLIG 26 conference has been granted to: 1) FIRE PROTECTION QUARTERLY — the main Polish magazine dedicated to fire protection professionals, 2) Portal INDUSTRIAL BUILDINGS PLUS, 3) Portal DESIGNER'S ACADEMY.
